Letter

Write a letter to your future host family. Tell them as much as you can about yourself. This will help us to find you a family where you will feel at home. Please add a printed Word document if you can, that way you can also use a spell check.

Here are some topics you should cover:

- A little about yourself.
- And your family/friends/pets.
- Your hobbies and interests, any special skills, passions or talents that you have.
- Sports/Music.
- Your home/your town/your region.
- What sort of work/study you do/have done.
- All about your childcare experience (details about ages, duration and type of care).
- Your plans for the future and details.
- Your reasons for wanting to be an au pair in Australia.

In order to help you a little bit with the composition of the letter, we have 2 sample letters for you at the end of the application documents.

An au pair can be as much a coach as a carer, especially with older children, so your hobbies, skills and talents are very important.

„Dear family letter“

Für Ihre Au Pair - Bewerbung schreiben Sie Ihren Lebenslauf in Form eines Briefes an die Familie: der sog. „Dear family- letter“. Dieser Brief wird an die künftige Gastfamilie weitergeleitet und hilft ihr bei der Auswahl der Bewerber/innen. Der Brief ist **sehr wichtig**, da die Familie ihn zuerst liest, bevor sie weitere Unterlagen sichtet. Und **er muss in Englisch oder der Landessprache verfasst sein!**

Der Brief sollte nicht nur Informationen über Sie enthalten. Vielmehr vermitteln Sie einen aufschlussreichen Eindruck, wie Sie sind, was sie mögen und nicht mögen und vor allem Informationen über Ihre **Erfahrungen in der Kinderbetreuung**. **Das sollte den größten Teil des Briefes einnehmen.**

Ihr „Dear family- letter“ sollte **ordentlich und sorgfältig**, aber in einem freundlichen, unterhaltsamen Stil verfasst sein. Sie sollten so offen und aufrichtig wie möglich sein, damit Sie auch die Familie bekommen, in die Sie passen.

Der Brief sollte wenn möglich in **getippter Form** mit Unterschrift erstellt werden. Die **Schriftgröße** sollte mindestens 11 betragen, so dass der Brief gut lesbar ist. Bitte beachten Sie, dass Gastfamilien nicht viel Zeit haben um Briefe zu lesen. Sollten die Erfahrungen in der Kinderbetreuung allerdings sehr intensiv sein, dann kann der Brief auch länger werden.

Der „Liebe Familie“ - Brief sollte enthalten und danach strukturiert sein:

- Wer Sie sind, wo sie leben und wann Sie ihren nächsten Geburtstag haben.
- Ob Sie bereits im Ausland waren, in welchen Ländern und wie viele Wochen insgesamt (Urlaube und „school trips“ nicht vergessen)
- Sehr viel über Ihre Liebe zu und Erfahrungen mit Kindern (bitte detailliert und ausführlich) Das ist der wichtigste Teil im Brief !!!!
- Etwas über Ihre Erfahrungen im Berufsleben und in der Schulzeit
- Falls Sie bereits einen eigenen Haushalt haben oder zu Hause im Haushalt helfen, bitte erwähnen.
- Den Familien ist sehr wichtig, dass ein Au Pair ein „experienced driver“ ist und sie sich keine Sorgen um ihre Kinder machen müssen. Bitte darauf eingehen.
- Warum willst du in das Land? Bitte hier Kulturinteresse und Interesse an Life style einbringen.
- Etwas über Ihren persönlichen Hintergrund (Eltern; Geschwister, besonders wenn Sie jünger sind als Sie)
- Etwas über Ihre Hobbies und Interessen
- Etwas über Ihre Zukunftspläne
- Was Sie während Ihres Aufenthalts in Ihrer Freizeit gerne machen würden
- Was Sie der Familie anbieten könnten

Bitte den Freund nicht im Brief erwähnen, denn bei den Familien blinkt dann sofort der „Heimweh-Faktor auf“

Wenn man spezielle Essgewohnheiten hat, z.B. Vegetarier ist, dann erwähnen, dass man keine Probleme hat, für die Kinder Fleisch zu kochen.

1st sample letter

(very detailed as extensive childcare experience is involved)

Dear host family,

my name is and I'm from Germany. And I would be very happy to become your Au Pair! I love having children around and to make them happy. I am motivated to create the perfect time together with you and your children! The work with children is a very important part of my life and I suppose you will be absolutely sure about my responsibility and experience. So I start with the part which should show you my solid qualification in childcare:

For one year I take care of a group of eight girls at the age of six to nine years together with my friend. We meet every Monday at the parish hall of the church. There we play indoor and outdoor games, make art and craft projects, cook, sing and talk together. This year we also have a group of seven boys and we're playing lots of adventure games together. The boys are six and seven years old. I love to spend time with them. With both groups we went on trips, where they played games against other groups. In these groups I learned to assume responsibility and to resolve conflicts. And I am able to care for more than one child at the same time. It's wonderful to see how close you're getting together during this time and that the kids love to come every week.

In addition to do that I did an apprenticeship, which took one year. There I practiced how to lead a group and which different needs and interests the children in a specific age have. I obtained a certificate, which says that I am qualified to lead a group of children.

During the last summer holiday I participated for two weeks in a camp for children at the age of five to ten years. They playfully got to know how a state is build up and how it is to work in a company. I advised them at play. Every assistant had a company, where the children came to work and to earn money. I've had the so called "children's university". They came to make experiences, like producing bubble gums or making your own blow bubbles. The children also taught others to do their virtual driver's license. In these two weeks I learned to take care of the children in my company for the whole day.

Around once every two months I'm the babysitter for a six-year-old child, called Paul. Every time his grandmother has no time to be there, I take care of him. I play games with him, read to him and later on put him to bed. I almost stay from 6 pm to 12 pm to supervise him.

Two years ago I adopted a school-sponsorship for a ten-year-old girl, whose name is Emelie. It was her first year at secondary school and I showed her around and was her contact person for problems she had in school. We also met out of school to go skating and to eat ice cream together. I think it's necessary that the kids have a person, who they can trust and ask questions if they feel lost.

Last year I taught Jessica, a fifteen-year-old girl and her friend in French, helped them with their homework and studying for tests. Lately I started to supervise a group of ten- to twelve-year-old children at my school. I take care of creating a good atmosphere to learn and I support them by explaining difficult exercises when they have any questions.

In January 2012 I went to a day care center. I visited two different groups, where I played with children from the age of three to six years. It was a great experience and the children were sad when I had my last day. They painted some pictures for me, in remembrance of the time we had together.

Now I am going to tell you something about me and my family.

I live together with my family in a beautiful small village, which is called, in the South-West of Germany. But it's close to Stuttgart, the capitol city of Baden-Württemberg. I enjoy meeting my friends there. My brother Peter is fifteen years old and my parents are called Maria and Wolfgang. We're all sharing the same hobby: it's playing tennis. My family appreciates and supports me with my wish to be an Au pair.

Currently I'm visiting the last school class. I'm going to graduate in July 2021. Since May 2020 I've got my drivers' license and I practice a lot. My family says, that I am a very careful driver. In addition to that I cook for my brother and me when my parents are at work. Afterwards he helps me with cleaning the kitchen.

Besides the work with children, I also enjoy doing sports. I play tennis for 9 years. I'm part of a team and we're practicing for the matches in summer. I dance for 5 years. We already had some performances in public. And I currently started to do Tae Bo.

I also like to meet my friends and to go shopping or jogging with them. And I like reading good books. Making art and craft projects is another hobby I like to practice.

I want to be an Au pair, because I love to experience different cultures and to see what it is like to live in a Canadian family for a whole year. I participated in exchange programs to Italy, France and I also had been in the USA once. I really enjoyed the time I had together with my host family. In addition to that, I want to improve my English skills. And of course I love having children around. It's fun to play with them and to make homework with them.

Why you should choose me? ... because I love to work with children. It makes me happy to see them smiling and growing up. I like to laugh with the children. And I am active and open-minded for everything they want to do with me. I want to give them a feeling of security and friendship. You can trust me with the care for your children, due to the fact that I am a caring person, which means that I care for the needs of each child and listen to their problems. And I am reliable. So I am intent on the responsibility you give to me to care for your children. But you can be sure that I'll give a hundred percent of my energy to your children!

I'm looking forward to hear from you soon and to spend this year in your family!

Love,

2nd sample letter

(shorter as sufficient childcare experience is involved)

Hello my dear host family,

My name is, I'm 20 years old and getting 21 years of age in February 2021.

I have learnt English for 5 years and I also can communicate in English language but not fluent. I have been abroad in England, France, Dominican Republic, Maldives, Spain, Greece, Italy, Tunis, Turkey and Egypt. All together 23 weeks abroad.

I have experience with children since I was 15 years old when I occasionally cared the children of my neighbours or friends. I used to pick up the children from school helping with homework and played many different games till the parents came at home. The children were mostly school-age and also very active. Also I often cared for them in the evening when parents went out to dinner or for other purposes. That involved to make them dinner and see that they go to bed early for school. Of course I was reading out a good night story.

This winter I completed a two-month practical training in preschool. I overtook the organization of the new opened preschool which means I had to plan the amount of children the school could take. Also I had to organize the qualified personnel for the professional care of the children so the children were fully in good hands. Additional I had to plan the facility of the sleeping rooms of the children and also the right furnishing for their age group. During the day I have played a lot with the children and went with them to the playground. Through this practical training. I also cared a lot for children and helped my colleagues to organize daily schedule.

I am studying tourism management and in two months I get my master degree. When I heard about the au pair program in Canada I decided immediately to apply because that combines my love for children with my interest in getting to know the Canadian way of life.

My mom 's name is Jana she is 42 and works at the municipal office in our town. My dad 's name is Uwe and he's 57 years old work worldwide as electric engineer. I have two brothers who are older than me. One is called Dennis and the other Christoph. They already both work and live in Germany. I am aunt of two little girls. They are daughters of my brother Christoph: Rebecca is 8 years old and Jacqueline is 6 years old. We see each other quite often especially during the holidays as at other times because I was still in school and they had to work.

Among our family also includes three dogs they are female two of them are Chihuahuas (Bubi and Shaney) and my dog is a Czech special race : Prague Ratter and her name is Nella. So if my hostfamily will have pets I will be happy to care for them.

As a family we like to travel a lot especially to the exotic countries because my dad is not a winter type. Our favourite destination is the Maldives because it has a beautiful underwater world. Our family hobbies include diving, riding a water scooter and various trips during the islands.

I love spending time with my buddies. We do a lot of sports – cycling, playing Table Tennis and invent many other sportive activities. On weekends we go out for dancing or to the cinema. When I'm alone I walk with my favourite dog named Nella in nature. My friends say about me I'm very active, communicative, funny, optimistic but also reliable.

Why Canada? The country attracts me since childhood especially the nature and of course living in an Canadian family.

Do not worry my dear host family I believe you do not make a mistake with me. I'm sure I'm right for you and hope I see you soon.

Bye bye with love

Wie erstelle ich eine Fotocollage?

Bitte sind Sie sehr sorgfältig in der Auswahl Ihrer Fotos. Bedenken Sie, dass der erste Eindruck, den die Familie von Ihnen bekommt, Ihre Fotografie ist.

1) Bewerbungsfoto

Sie müssen nicht unbedingt in ein Fotostudio gehen. Die Fotos sollten allerdings farbig und von guter Qualität sein.

Denken Sie daran weder zu saloppe noch zu elegante Kleidung zu tragen. Bei weiblichen Bewerberinnen: Stecken Sie Ihr Haar zurück, damit man Ihr Gesicht gut sehen kann und lächeln Sie !

Falsch

2) Foto Collage

Die Foto Collage sollte mindestens aus 3 DIN A 4 Seiten bestehen.

1te Seite: Fotos von Ihnen und Ihrer Familie. Es geht nicht darum alle auf einem Bild zu zeigen. Sie können gerne Ihre Familienmitglieder vereinzelt abbilden.

2te Seite: Fotos von Ihnen und Ihren Hobbies, beim Autofahren, kochen oder backen, Fotos von Freunden und Haustieren (falls vorhanden).

3te Seite und so viele wie Sie Fotos haben: Fotos von Ihnen und Kindern!

Sie sollen den Eindruck vermitteln, dass Sie Kinder gernhaben und gut mit Ihnen umgehen können.

In den letzten Jahren wurde es immer schwieriger Fotos mit Kindern zu veröffentlichen. Seien Sie hier bitte kreativ. Man kann die Kinder auch von hinten oder von der Seite fotografieren, so dass sie nicht erkennbar sind.

Bitte beschriften Sie die Fotos, damit man weiß, was es darstellt und wer auf dem Bild zu sehen ist. Achten Sie darauf, dass die Fotos von guter Qualität sind. Farbbilder können hier mit Schwarz-Weiß-Aufnahmen kombiniert werden. Suchen Sie nur Bilder aus, auf denen Sie freundlich und sympathisch aussehen. Achten Sie darauf, dass die Fotos keinen falschen Eindruck vermitteln. Schnappschüsse, die Sie in der Sonne liegend zeigen oder bei einer wilden Party sind unpassend.
